TEAM NUMBER

Dear respondents,

National Statistics Office is conducting the fourth round of Nepal Living Standards Survey- IV from June 2022. In this year-round survey, primarily, information on income and consumption will be collected from selected households and the living standards of Nepali people will be assessed on the basis of information so obtained. Your household is one of the 9600 sampled households selected for the survey. The information you provide are confidential by Statistics Act, 2015 B.S. and they are published collectively in which no personal records are visible. The information will provide inputs necessary for government's policy formulation, development planning, and monitoring and evaluation. I would like to request you all to make the survey successful by providing correct and factual information to the enumerators who are coming to your household.

Thank you for your cooperation!
